HISTORY

Silvia Cellars takes its inspiration from our Italian wine producing family heritage. Our mission is to produce a small number of high quality California wines from some of California's best vineyards. We have dedicated ourselves to making delicious, handcrafted wines from some of the finest appellations on the West Coast: California (Napa Valley, Sonoma County, Mendocino County, Amador County and Paso Robles). We take pride and joy in working hard to produce premium quality wines.

GROWING SEASON

The growing season was reported as very good quality and lower yields as hallmarks of the 2021 vintage. After a dry winter, spring brought dry, cold conditions, with a higher-than average number of frost. Most of our fruit come from the Mendocino County, which saw some impacts from the recent wildfires, the drought had a major impact on this year's crop, leading to very low yields for many varieties. In spite of the challenges, overall quality is very good, especially for whites. However, the smaller crop size helped to enhance quality. White varieties are showing good sugar accumulation and a high amount of natural acidity.

WINEMAKER COMMENTS

This beautiful wine displays bright, fruit-forward aromas and a full-bodied mouthfeel. At first swirl, this 2021 Chardonnay presents tropical aromas of passion-fruit, with nuances of peach and pears. On the palate, flavors of guava, Meyer lemon and honeysuckle come through with a slightly creamy, but lively mineral finish. This versatile wine pairs well with grilled fish, roasted vegetable fresh green salads, and soft, mild cheeses. Enjoy this wine SALUTE!
