CELLARS

# CABERNET SAUVIGNON 2021

## HISTORY

Silvia Cellars takes its inspiration from our Italian wine producing family heritage. Our mission is to produce a small number of high quality California wines from some of California's best vineyards. We have dedicated ourselves to making delicious, handcrafted wines from some of the finest appellations on the West Coast: California (Napa Valley, Sonoma County, Mendocino County, Amador County and Paso Robles). We take pride and joy in working hard to produce premium quality wines.

## GROWING SEASON

With most of our fruit coming from Mendocino County, 2021's growing season produced excellent quality. After a dry winter, spring brought dry, cold conditions, with a higher-than average amount of frost. The drought had a major impact on this year's crop, leading to very low yields for many varieties. However, the smaller crop size helped to enhance quality. Reds, like our North Coast Cabernet Sauvignon have lower-than-normal Brix levels and higher levels of natural acidity that increases the longevity of the wine.

## WINEMAKER COMMENTS

Continuing the Silvia Cellars tradition and style of wine-making, this wine is a blend of the best Cabernet Sauvignons in our North Coast vineyards selections, coming from our growers of Mendocino Valley, Alexander Valley and Napa Valley. The 2021 was blended with a splash of Malbec and Merlot. The nose has a touch of plum and a touch of dark mocha. On the palate, layers of soft tannins with light oak presence. This wine is slightly fruity and elegant with a vibrant long mouth-feel. The finish is long with good structure. This wine will pair with everything from pasta, vegan dishes or classic meats. SALUTE!
