CABERNET SAUVIGNON 2022 NAPA VALLEY

HISTORY

Silvia Cellars takes its inspiration from our Italian wine producing family heritage. Our mission is to produce a small number of high quality California wines from some of California's best vineyards. We have dedicated ourselves to making delicious, handcrafted wines from some of the finest appellations on the West Coast: California (Napa Valley, Sonoma County, Mendocino County, Amador County and Paso Robles). We take pride and joy in working hard to produce premium quality wines.

GROWING SEASON

The 2022 growing season brought excellent quality for Napa Valley. After years of drought, the region saw more than 20 inches of rain in October and December 2021. Dry conditions followed from January until March. Spring brought mild and cool temperatures, and bud break began in March. The heat accelerated grape ripening throughout the valley, which led to earlier-than-average pick dates for many varieties, including some Cabernet Sauvignon. The 2022 red wines are structured, with deep red color, luxurious tannins and wonderful flavors.

WINEMAKER COMMENTS

This particular vintage is very special to us, with 10% of the fruit coming from one of the most prestigious Napa Valley Mountains in wine-making. Our limited-edition reserve 2022 Napa Valley Cabernet Sauvignon is an exceptional representation of our Italian wine-making heritage. All of our vintages are made by hand-selecting diverse, premium fruits throughout a variety of small vineyards spanning the Napa Valley. We combined old world wine-making techniques and modern technology in order to create a vintage that is similar to an Italian Brunello. This wine is rich and dark in the glass with aromas of old leather and blackberry. It is a full-bodied wine with long velvety tannins that will gain even more complexity as time passes. Aged for 16 months in 50% new French oak barrels, it remained bottled for 14 months before its release. This Napa Valley Cabernet sets the standard for quality and will age beautifully for the next 15 years. Enjoy this gem. Only 359 cases produced. SALUTE!
